18th December 2020

Dear Parents and Carers,

Our topic next term is 'Wheels, Whistles and Wings.' Over the Christmas holidays please could you and your child collect different images of wheels. For example, you could take a picture of a bike wheel or a car wheel. Please upload up to 3 images on Tapestry for us to share. We will be using these images to introduce our topic. Please could your child's pictures be on their Tapestry by Sunday 3rd January 2021 for us to be able to print them ready to use during the first week.

As part of our topic we will be having a 'Wheels Day' on Friday 8th January 2021. For this day the children will be able to bring in something exciting they have with wheels on. For example, a bike, scooter, skates, play pram or shopping trolley etc. During the day the children will have some time playing with their item. The children will only be able to play with their own item. The items will be stored outside and will be cleaned with a hard surface spray before use. Please only allow your child to bring in something you are happy for us to clean. Please be mindful if you bring in a play pram that has fabric then this will also be cleaned. If your child chooses to bring in a bike or scooter please ensure they have a named helmet.

Thank you for all of your support this term.

Warm Regards,

The Reception Team.
