The Medicines Policy permits the school to administer the following non-prescription medication if your child develops the relevant symptoms during the school day. Pupils will be given a standard dose suitable to their age and weight. You will be informed when the school has administered medication by text. The school holds a small stock of the following medicines:

Paracetamol

Anti-histamine

Please tick the non-prescription medications above that you give your consent for the school to administer during the school day.

Please tick this box to confirm that you have administered these medications in the past without adverse effect.

Please tick this box if you wish to be contacted before either medicine above is administered. (If you do not tick this box we will assume that you are happy for the school to administer medication to your child after 12.30pm without contacting you first)

Please inform the school of any changes to this consent.
