## Summer Term

Welcome back. We hope you had a lovely Easter with your families.

This term, our new topic is 'Wild and Wonderful'.

We will be basing each week on a book linked to Wild and Wonderful. To start our term the book is "what The Ladybird Heard". We will be doing different fun physical games and exciting art linked to this book. In the following weeks we will visit different books that link to the home, such as Aaaarrgghh Spider! and the The Hungry Caterpillar. We will have different activities that appeal to all ages.

Due to the weather being better we can use the woods and can partake in minibeast hunt and different woodland activities. The woods will be open every Wednesday.

# Last Term's Activities

# Breakfast Finishes at 08:10

**We are seeing an increasing number of children arriving late to breakfast club and who haven't eaten.**

Please be aware that if your child is booked into Breakfast Club, we stop serving breakfast at 08:10 so that we have the time to clear everything away in the hall and get the children ready to get to their classes and on the walking bus to Maidenbower Infant and Junior Schools.

Please ensure if you are arriving late that your child has eaten as we are unable to serve them breakfast after 08:10 as all the breakfast equipment has been packed away.

**Please note, if you arrive after 08:20** you will need to wait outside and bring your child in as normal to their classroom. All our staff are taking the children either to class or are lining them up to walk across to our locality schools at this time.

## Sickness

If your child is unwell and won't be attending Breakfast or After School Club please ensure you contact us either via 01293 886521 or email [brookclubbookings@brookinfant.school](mailto:brookclubbookings@brookinfant.school).

This ensures that we are not then expecting your child to arrive for Breakfast Club or that we are waiting around at Junior School to collect them for After School Club.

## Terms and Conditions

Please ensure you have read our Terms and Conditions which are available on our website.

# Late Collection

We kindly ask that all children attending After School Club are collected promptly at their booked session time. It is essential that children are collected on time so that staff can maintain the correct ratios during club.

For those booked until 17:00, please ensure you arrive promptly, as staff need to focus on supervising the children staying until 18:00. Please also note that the school closes at 18:00. At this time, staff must finish up, secure the building, and head home.

If you are going to unavoidably late please ensure you ring us on 01293 886521 and choose After School Club on the answer machine to speak to a member of the team.

**Important:** If children are collected late on a repeated basis, families will be charged for an additional hour.

Your cooperation helps us keep the club running smoothly and ensures a safe, positive environment for all children. Thank you for your continued support.

## Government Tax Free Childcare

**Did you know?** You can get up to £500 every 3 months (up to £2,000 a year) for each of your children to help with the costs of childcare. This goes up to £1,000 every 3 months if a child is disabled (up to £4,000 a year). For every £8 you pay into this account, the government will pay in £2 to use to pay your provider. Please visit <https://www.gov.uk/tax-free-childcare> for more information.

If you are paying using Government Tax Free Childcare please email [brookclubbookings@brookinfant.school](mailto:brookclubbookings@brookinfant.school) with your reference number ending TFC. If we don't receive your TFC reference we are unable to add any payments to your account.

## Three Working Day Cut Off for Bookings

Please be reminded that there is a three working day cut off for booking club. For example if you want to book a Monday session this will need to be booked by Thursday lunchtime. Please contact the School Office for any sessions you need at short notice on 01293 886521.

# Important - Parking outside school

We kindly ask all parents and carers to avoid parking on the yellow zig-zag lines directly outside the school gates, on the pavement outside the school gates or on the corner of the road opposite on the zig zag or double yellow lines.

Parking on school zig-zag lines is prohibited by law. These markings are there to keep the entrance clear and safe for children. Zig-zag lines are designed to give children a clear view when crossing and to ensure drivers can see them.

Parking on the double yellow lines on the corner of the road opposite the school gates. Double yellow lines mean no parking at any time, regardless of how short the stop may be.

Parking on corners obstructs visibility and can be considered an offence if it causes danger or obstruction to other road users. Cars parked on corners block sightlines, making it harder for children and other drivers to judge when it's safe to cross or turn.

Please use the layby or park further down Salterns Road where it is safe and legal. A short extra walk makes a big difference to the safety of all the children.

We have been advised by the Police that any unsafe or illegal parking is to be reported to Operation Crackdown and parents will be contacted and fined for illegal parking.

Together, we can keep our school community safe. Thank you for your cooperation.
