Happy New Year Everyone and Welcome to our new members.

It has been lovely to welcome all of our children back and also some new members too.

We had lots of fun at the end of last term making, creating and colouring in. All of the children joined in and came up with some great designs for their Christmas cards, window sun catchers and Christmas Tree decorations. We also had a go at icing and decorating biscuits and creating melting snowmen and we apparently had the worlds longest paper chain! The children made some delicious gingerbread cookies which I am not even sure made it home.

## Spring Term Topic - Ice Worlds

We have got lots coming up this term and some of it will be based on the new topic in school 'Ice Worlds'. There may be some science experiments based on ice, we will definitely have some arts and crafts with a wintry feel and we will definitely be doing some more baking. We will also have our normal range of toys and games to play with plus a few new toys which were delivered by Father Christmas through the holidays ! We will of course make use of the outside areas to run off some of the energy that all of our children seem to have!
