

WORLD BOOK DAY 2021

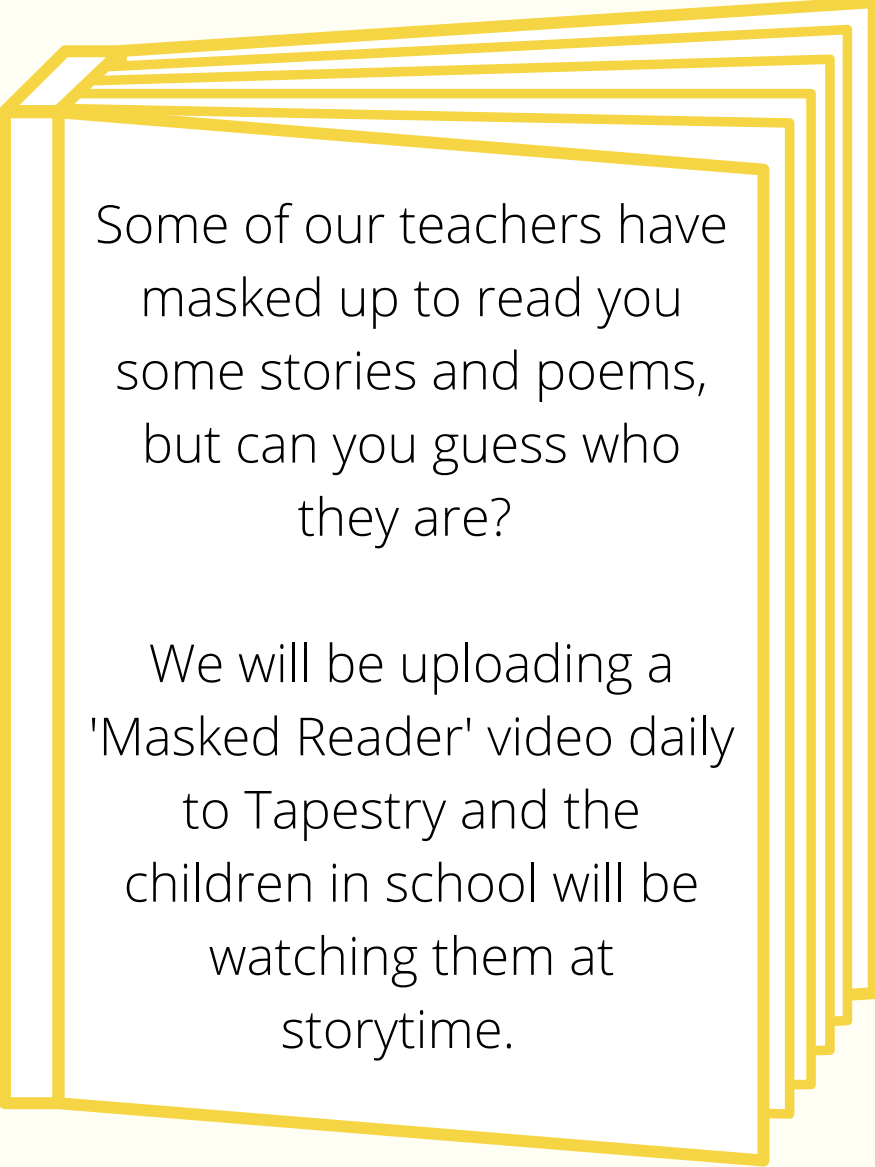

World Book Day takes place on Thursday 4th March this year. Due to the current circumstances, we unfortunately can't celebrate World Book Day in our usual 'Brookie' way. However, we know that this is often a highlight of the children's year and so we have planned some activities which the children at home and school will be able to enjoy.

On Thursday children can dress up as their favourite book character if they wish. There is no pressure to dress up as we know this is always a stressful time of year for parents and now even more so with the shops shut. Therefore, children may choose to simply come to school in their own clothes next Thursday.

If you are learning from home, we would love to see your fancy dress on Tapestry!

Some of our teachers have masked up to read you some stories and poems, but can you guess who they are?

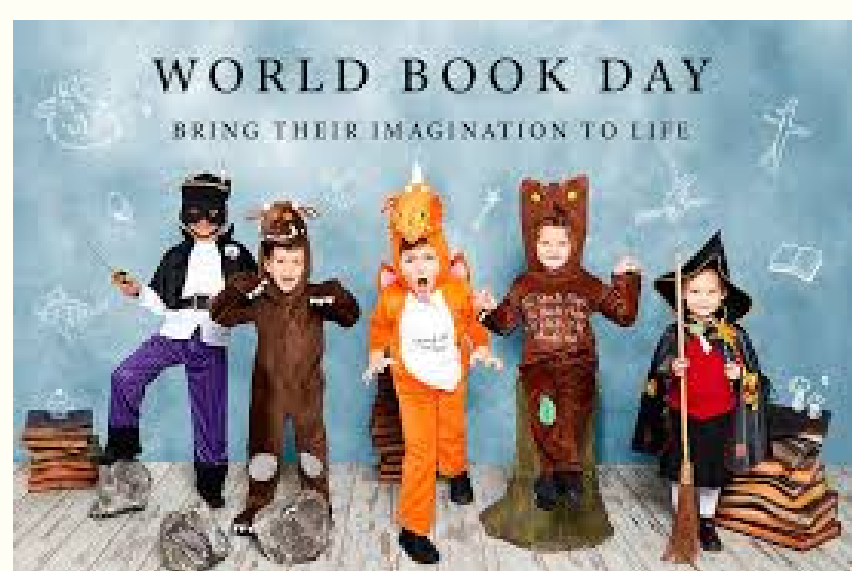

We will be uploading a 'Masked Reader' video daily to Tapestry and the children in school will be watching them at storytime.

On Thursday and Friday next week, there will be Literary Trail around Maidenbower where our little people can hunt for book characters and try to guess the name of the book they come from.

Children learning from home will be able to collect a map and sheet when they come for their 'Meet the Teacher' session (please see school newsletter).

Children learning in school will bring one home on Wednesday as you may like to complete it on the way to or from school.

BROOK INFANT SCHOOL
