Welcome Back Everyone

Well, we had fun last term with lots going on including mini pizza making, cupcake baking and mini marshmallow and rice krispies Easter eggs. The children made and decorated their best Mothers Day cards and also designed their own Easter eggs and bunny faces. The children also had their choices of games and toys to play with and we were outside as much as we could be. When we are outside the Children get to play their own games or join in with the activities that we have planned, some of these activities could be football, basketball or we have had a lot of group skipping lately which everyone enjoyed.

What's coming up this half term?

The new topic in School is 'Wild and Wonderful' so some of our activities will be based on this. We have already made a start with some of the children creating great pictures of Wild and Wonderful animals and this will continue to grow as we move through the term. This week we will be making and designing crowns and plates in recognition of the Kings Coronation and making and decorating cupcakes.

As the weather warms up outside we will start using different equipment as well as visiting the woods, which I know the children are very excited about. There will be lots of toys and games set up inside including playdough for making different creations.

Booking Your Session

You can book your sessions for school age children (Reception - Year 6) for both Breakfast and After School Club by visiting:

Reminders

As always, please update your child's details on the Childcare Booking System, including emergency contacts, new class names, medical information including allergies.

If you are paying using Government Tax Free Childcare please email Jenny with your reference number ending TFC to ensure your payment is allocated correctly to your account.

Please remember that if your child is off sick and booked into club, can you phone us on 01293 886521 and let us know that we will not need to collect your child that day. We can then adjust our registers and therefore avoids us not waiting for your child to join the walking bus.

Please be aware that if you need to extend your After School Club hours from 5pm to 6pm you will need to contact us either via brookclubbookings@brookinfant.school or telephone the main School Office on 01293 886521. Unfortunately, this process cannot be undertaken by parents via the booking system.

We have an awful lot of lost property including jumpers, hats, gloves, coats, teddies, water bottles. The box will be left out at drop off and pick up times for you to have a look through and hopefully find any of your children's items.

Bookings are now open for the second half of the Summer Term.

Thank you
