Dear Parents and Carers

Music Lessons – Spring Term

Unfortunately, due to the current lockdown West Sussex Music are not providing music lessons for the children this half term.

Those parents that have paid for lessons in the Spring term will have the payment for these lessons rolled over to the Summer term. Those parents who have paid in full for the year will receive a refund that we will organise once we know what the plans are going forward with regard to music lessons.

Yours sincerely

Sarah Cox
